

AELIUS 300

BUILD

Our premium quality Aelius 300s boast large metal heat sinks to aid in climate control as well as a powder-coated aluminum frame for a strong and clean look. Suited to almost any growing environment, the Aelius 300 is a great choice for full-cycle growing.

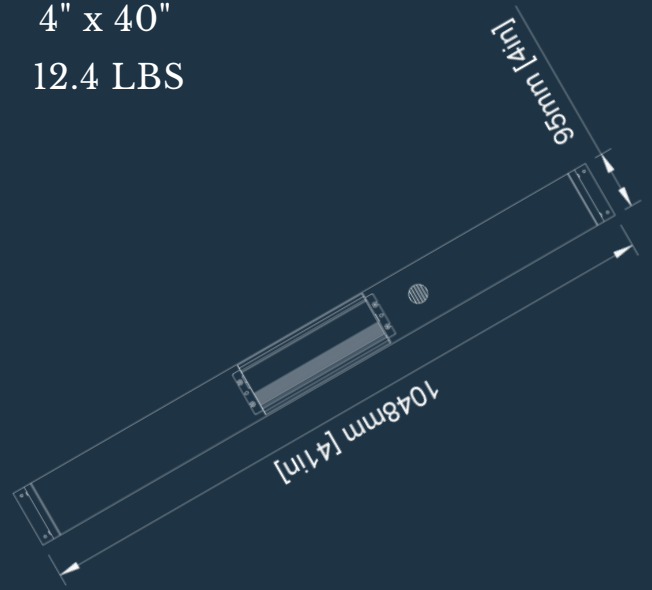

SPECTRUM

DIMENSIONS & WEIGHT

4" x 40"

12.4 LBS

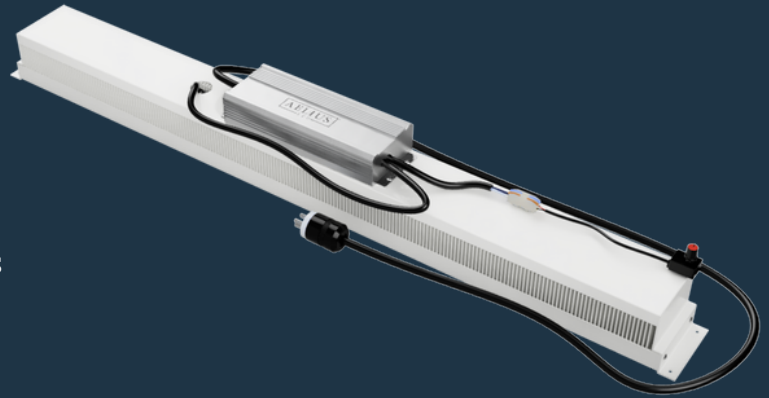

Many growers look for a well rounded, full cycle led grow light that is easy on the eyes to work under, yet still provides excellent growth characteristics and efficacy. All that and more can be found in the Aelius 300 original spectrum. This spectrum has proved itself time and time again to lead your plants happily from vegetation cycle through to finishing off your flowers.
